Spring 3-Man Results

Considering the amount of rain we have had this Spring, we felt very fortunate when clear skies showed up for the Spring 3-Man. The course remained very wet during Saturday and Sunday, which prevented us from allowing carts off the cart paths. Despite this inconvenience, the weekend turned out nice. The team of Mark Quattlebaum, B.J. Curry and Joe Bellmer overcame a two shot deficit to win by two over the team of Tom Fischer, Rocky Corpe and Steve Beykirch. Results are as follows:

Thank You Sedalia Country Club

The Missouri State High School Activities Association and all participants in the Class 2 Boy's State Tournament would like to thank the Member's of the Sedalia Country Club for the use of their golf course and clubhouse. Everyone involved in the tournament complimented the condition of the course, the service they received and the manner in which they were treated by Sedalia Country Club Members and Staff.

Congratulations Wayne!

Assistant Golf Professional Wayne Ogle completed level 1 of the Golf Professional Management Program in May by traveling to Port St. Lucie, FL and successfully passing all six of the required tests on his first attempt. Wayne has two more levels to finish before completing the program and becoming a Class A PGA Professional.

Congratulations to Stafford Swearingen, Gail Jackson, and Mike Cox: these three people are the winners of the golf club raffle. **Thank You**, to all the members who participated in the raffle. We look forward to seeing you!

Notes from.....

Ellen

We are compiling a list of email addresses to be used to send reminders to members concerning upcoming events at the Club. As you know, this will not take the place of our "Club Life" newsletter, but will be used to call to attention to items of interest during the month. If you have not been receiving these emails and would like to be on the list, please stop by the office, email me at sedaliacountryclub1@charterinternet.com (put "email address" on the subject line), or give me a call (826-2044) with your address. Also, if you have any comments or questions concerning the Club, please do not hesitate to let us know. Dennis, Rhonda and I will be happy to assist you.

Enjoy your summer!!!

The Greens Watch.....

by Dallas Baldwin

The summer season is upon us. The following reminders will help keep the course in the best shape possible:

1. Please keep carts on paths around tees and greens.
2. Please repair ball marks on greens now that we are watering.
3. Please use sand on tees to replace divots as grass will repair itself during this time.

Enjoy the warm season!
